Lot 28 - Vinylmation™ Clear Glitter

These one-of-a-kind, 3-inch figures feature a variety of colors with a glitter fill element. These are first samples used to verify the glitter treatment. This version of the Clear Figure figures will not be used making this a colorfully unique lot.

Lot 29 - Vinylmation™

The Haunted Mansion®

by SHAG

Originally created for The Haunted Mansion® event at Disneyland® Resort in September 2009, this 9-inch plus 3-inch figure set was designed by SHAG. This figure is one of the top of production figures. SHAG's autograph is also included on the front of the box. Please note that the box has some slight imperfections.

Lot 30 - Vinylmation™

9-inch Figure - Moai

This lot contains a pre-production Vinylmation™ 9-inch figure featuring a canceled design. This is truly a one-of-a-kind figure originally designed by Disney Design Group artist Chris Chapman.

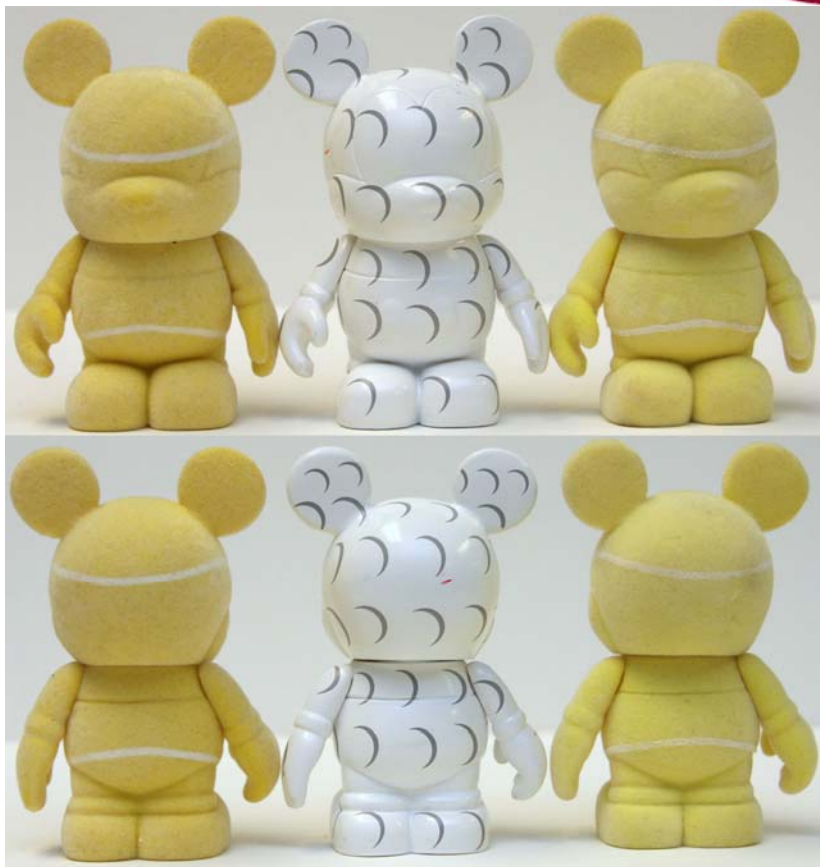

Lot 31 - Vinylmation™

Sports #1 Flocked

Tennis Ball and

Original Golf Ball

This auction lot contains three, 3-inch figures from the Vinylmation™ Sports #1 Series. These pre-production figures feature flocking on the tennis ball and a larger design for the golf ball. Both of these designs were not featured with the final production figures.

Lot 32 - Vinylmation™

Cutesters #1

From the Vinylmation™ Cutesters #1 series, this auction lot contains three, 3-inch figures. Two of the figures feature the original design concept for the Mystery Chaser without the jeweled attachments. One final production figure with the jeweled attachments is also included in this lot.

Lot 33 - Vinylmation™

Cutesters #1 - Flocking

Flocking is a common theme with this auction lot featuring six, 3-inch figures from the Vinylmation™ Cutesters #1 series. Three of the figures feature a flocking treatment which was not used in the final production figures. The matching final production figures are also included in this lot.

Lot 34 - 3-inch Unique Figures

Unique is the key word for this auction lot containing seven, 3-inch figures. The following figures are included:

- **Monorail Green from Park #4** – Contains a high gloss finish not used on the final production figure. This figure is a one-of-a-kind.
- **Disney News Bureau** – This figure was designed especially for the Disney News Bureau.
- **Vinylmation™ Big Eyes – Buzz Lightyear** – This pre-production figure features a solid white head which is different than the final production figure that contains a clear head. This figure is a one-of-a-kind.
- **Urban #2 Figure** – This pre-production figure does not contain a clear base like the final production figure. This figure is a one-of-a-kind.
- **Urban #3 Figure** – This figure from the Urban #3 series features flocking on the cookie jar. We aren't sure why we included flocking on the cookie jar. This figure is a one-of-a-kind.
- **Condiments – Pepper** – This is a pre-production feature featuring a different art application than the final production. This figure is a one-of-a-kind.
- **Urban #3 Figure** – This pre-production figure features a slightly different art application than the final production figure.
